Public Comment

Bob Spirk, President of Local 1832, congratulated and welcomed the new hires. He reminded everyone that Sunday, March 10th was the 51st anniversary of the line of duty death of Kermit Smith. He was a firefighter for the City of Miamisburg Fire Department who died attempting a rescue from the dam on the Great Miami River. There is a memorial that includes his fire gear in Station 53. The annual golf outing will be held on May 31st. He thanked the Board for allowing union representatives to be a part of the presentations of potential new fire stations by two construction firms. As all aspects of this consideration to build are discussed, he would appreciate any involvement unit members could give with respect to staffing, equipment and/or station location/size.

Chief Barnett presented a request for permission to surplus the 1997 KME Fire Engine currently owned by Miami Valley Fire District. A motion was made by Ms. Allen, seconded by Mr. Bell, to allow MVFD to declare the fire engine presented by Chief Barnett as surplus and to list on GovDeals as a public auction.

Mr. Stalder aye, Ms. Allen aye, Mr. Bell aye, Mr. Fritsch aye, and Mr. Posey aye. Motion carried.

Chief's Report

Chief Barnett explained that the District has applied for a PEP grant that would reimburse \$1,000 for safety equipment that we have purchased. The District has also applied for a \$479,000 grant that would be utilized for gear extractor, gear dryer and a new brush truck, which is currently the oldest vehicle in the fleet. This grant would be a 90/10 split meaning the District would be responsible for 10% of the cost. The truck ordered in December of 2021 has once again been delayed. It should now arrive in early 2025. The engine approved in February has a 250-day delivery expectation. The medic approved in February is expected in June. The company contracted for EMS billing experienced a cyber-attack and all activities have been halted. Consequently, revenues are down because of this. He has contacted the company and they have assured him that billing will resume as soon as possible and be retroactive to the time of the attack. The District also received notice from this same billing company that they would be terminating our contract at the end of December. The District is currently putting together a Request for Proposals for a new EMS billing provider. Once that has been finalized, he will be bringing a new contract to the Board for their review and approval. BC Steve Johnson is now the Montgomery County representative for the Ohio Fire Chiefs' Emergency Response Plan. April 8th is the date of the total solar eclipse. The District is working with surrounding entities to prepare an emergency action plan for that day. The District has received 26 of the 38 new sets of fire hose. The delivery of SCBAs has been delayed but should be arriving soon. Amy Phillips, HR Administrator, has completed helping the Township with their HR needs while searching for their new administrator. The District has received a new stock of carbon monoxide detectors from Firefighters & Company Federal Credit Union. We hope to have a request link out for the public soon but they can also call (937) 560-2152 to request a detector. Coffee and donuts will be available immediately following this meeting at Station 53 to welcome the new hires. He will be out of town beginning on March 29 through April 7th.

OCC Report

Chris Snyder congratulated the new hires and welcomed them to the District. He thanked Amy Phillips for her help while they transitioned to a new HR administrator. He appreciates her assistance.

Emily Christian welcomed the new hires and congratulated them for joining a great team.

MEMORANDUM

DATE: APRIL 11, 2024

TO: MVFD BOARD OF TRUSTEES

FROM: HUMAN RESOURCES ADMINISTRATOR, AMY PHILLIPS

SUBJECT: 2024-2025 HEALTH INSURANCE BENEFITS

The Fire District's benefits year runs from June 1, 2024-May 31, 2025. Due to the proposals that were received from carriers, which will be discussed in more detail at the April 11th Study Session, staff recommends accepting the proposal to renew the District's agreement for medical insurance with Medical Mutual of Ohio at a rate increase of 5%. District employees pay 20% for their medical coverage premium, from which they can choose between a High Deductible Health Plan and a PPO plan. The district funds the remaining 80% of premiums and for this year will provide an HSA employer contribution of \$1,000 for eligible employees that select a High Deductible Health Plan. Dental (Superior Dental Care) and Vision (VSP) coverage premiums are 100% employee responsibility. Dental premiums will increase slightly to allow for improved benefits, and Vision premiums will remain the same. Life insurance benefits will also remain the same.

Upon the Board's approval, Chief Johnson will enter into an agreement with Medical Mutual of Ohio, Superior Dental Care, VSP, Navia Benefits, EA Wellness, and The Standard via the Ohio Benefits Consortium.
