Capital Improvement and Equipment

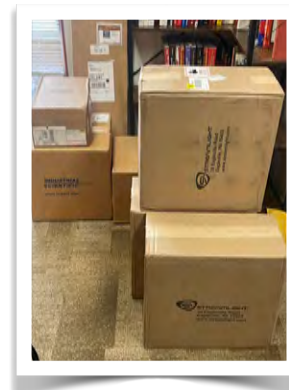

New Drill Drivers were purchased for all the Engines to assist with any hardware needs that crews may come across.

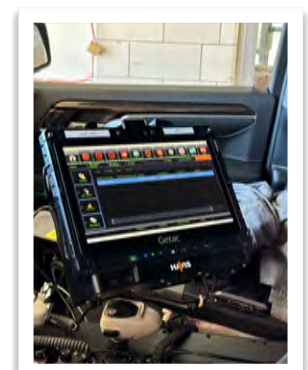

The Through the Lock Kits that are on each Engine were updated and standardized by Lt. Borger.

Tools and Equipment have started to arrive for New Engine 51 that is slated to arrive in December 2024.

MDT Laptops have begun to be installed in apparatus. Members are working through IT issues to make sure they are operating properly.
